4.19 Joining a Team

Either club or player may appeal to the NORCAL General Manager in case of a dispute as to whether or not a player has joined a club or team. Generally, a player has joined a team when that player or player's family has:

1. Signed a contract, letter of intent, or any other written agreement with a club. (A waiver or release from liability or a medical consent-to-treat form are excluded from this restriction) or
2. Paid money other than a separate tryout fee to a club by virtue of which payment the player is assigned or may be assigned by that club to a specific team or
3. Played or participated in a NORCAL-scheduled preseason game, exhibition, or regular season game with a team.

4.20 Player Development

All NORCAL registered 10u, 12u, 14u, 16u, and 18u teams in A, BB and B divisions must roster a minimum 50% of its players from within its member club.

4.20.a See CAHA Rules for definition of a player meeting PDR.

4.20.b A team in violation of the PDR will be included in the NORCAL schedule and their games will count towards final standings but they will be ineligible for post-season playoffs including both NORCAL playoffs and CAHA playoffs.

4.20.c Any team that falls below the PDR requirement during the regular season must achieve the minimum level by December 31 and maintain that level for the remainder of the season to maintain their post-season eligibility.

4.20.d A team may petition the NORCAL Board for an exception to the NORCAL PDR requirement to accommodate the following circumstances. No petition granted by the NORCAL Board creates an exception to CAHA PDR requirements:

1. A or B players displaced from their previous club by that club not offering a team at age level.
2. The previous club was officially merged with a new club and the new club is formally recognized by a vote of the NORCAL Board as a successor club.
3. The previous club has ceased doing business.
4. At the NORCAL Board of Directors' discretion.

4.20.e 8U players are considered ‘house players’ for the purpose for PDR

4.21 Player Release

Players and their families undertake a serious obligation when they join a club. They must expect NORCAL and all other NORCAL clubs to recognize and honor the agreements they sign or otherwise enter into. After joining a team, a player wishing to change clubs must obtain a written release from the club which he/she has joined (the “home club”). Nothing in these rules shall be construed to prevent a club from granting a release, but the home club ordinarily is under no obligation to approve a personal preference release. The release form may be found on the NORCAL website.

Players may not be cut or dropped from a roster after the specified dates (see CAHA Player Movement Chart).

A “drop” is defined as a request originating from a player. The player is removed from the roster. A drop can only be executed once the player is deemed financially “free and clear” and can occur any time prior to December 1, no drop may be executed by a club without CAHA Youth Council approval.

A “cut” is defined as a request originating from the club. Players are removed from the roster and released from the remainder of their financial obligations with the club. However, a cut does not imply a financial “free and clear” for balances (club dues, equipment and/or team dues, etc.) owed prior to the cut date. A club may execute a cut up to December 1. No cut may be executed by a club after December 1 without CAHA Youth Council approval.

4.21.a Personal Preference Release (drop): A release at the request of a player or family for any reason other than competitive advancement is a Personal Preference Release.

4.21.b Process for Receiving a Personal Preference Release:

A player should request a Personal Preference Release from the home club. If a club and player agree to a Personal Preference release, a completed Release Form shall be forwarded to the NORCAL General Manager for approval. The release form may be found on the NORCAL website.

4.21.b.1 If the home club fails to respond to an application for a contested Personal Preference Release within five days of being notified by the General Manager, the General Manager may grant or refuse the release without the home club’s approval.

4.21.b.2 If the home club responds within five days by refusing to grant the release, the General Manager shall select and convene a review committee comprised of three persons: General Manager, one disinterested club president, and one other member of the NORCAL Executive Board. The review committee shall issue its decision within ten days of the appeal. The decision of the review committee may be appealed by either the home club or the player to the full Board of Directors.

4.21.b.3 A personal preference release granted by the NORCAL General Manager addresses only the roster status of the player. It has no effect on any financial relationship between the player and the home club.

4.21.c Competitive Advancement Release. A player meeting the following conditions shall be granted a Competitive Advancement Release.

4.21.c.1 After obtaining an approved Player Release Form from the General Manager, the released player moves directly to the roster of a receiving team at a higher competitive level not available at the home club. The release form may be found on the NORCAL website.

4.21.c.2 The player is in good financial standing with the home team. No NORCAL member club or association shall charge a player receiving a Competitive Advancement release any fees or dues exceeding reasonable charges for tryouts, ice time used, and merchandise purchased.

4.21.c.3 The receiving team and the player recognize and confirm that the player must remain on the roster of the receiving team through the remainder to the NORCAL season and playoffs.

4.21.d The following players are **not** eligible for a Competitive Advancement Release:

4.21.d.1 Players on a disbanded Tier team formed jointly between two or more Clubs.

4.21.d.2 Players playing above their USA Hockey age level or attempting to do so.

4.21.e Penalties for Illegal Use

4.21.e.1 Any player who participates in a game or practice for a receiving team without a completed release in accordance with these rules is an ineligible player.

4.21.e.2 Head coaches are required to know the status of any player they allow to attend a practice or play in a game and are subject to suspension of up to two games for each game played or one game for each practice attended or by a player without a completed release.

4.21.e.3 Any club allowing a player to play in any game before that player has a completed release will forfeit all games in which that player participates.

4.21.e.4 A player who intentionally misrepresents his/her status to a receiving club will be suspended for no less than thirty days. Regardless of any misrepresentation by a player or family the receiving team is still subject to game forfeitures and head coach's suspensions for employing an ineligible player.

4.21.e.5 NORCAL will grant no player more than one release within a season.

4.22 Tampering

Tampering is the attempt to recruit a player to an A, BB or B team who is signed with or rosters on another A, B or B team.

- 4.22.a** Upon receipt of a written complaint from a member club, the NORCAL President shall appoint a Review Committee comprised of presidents or designated representatives of three non-affected clubs. The Review Committee shall conduct a hearing to investigate the charges and determine whether or not in their judgment tampering has occurred. If they find tampering has occurred, they shall issue a penalty to the offending club and/or team. The penalty shall consist of payment by the offending club of a fine not to exceed the amount of dues and other reasonable fees lost for one season as a result of the tampering. Note that CAHA rules also provide for suspensions, fines, and/or other sanctions for individuals determined to have tampered.
- 4.22.b** Without express approval of the NORCAL Board, no team which was created initially as a Tier team or which held tryouts as a tier team shall be permitted to participate in NORCAL league play as an A, BB or B team while retaining players from other NORCAL clubs who joined the club during the time the team intended to be a Tier team.

- 4.24.e** Attending tryouts or practices of another club by a coach or club official without a

specific permission from the club holding the tryout or practice.

4.25 Block Recruitment

Block recruitment is not allowed at “A,” “BB” or “B” levels. Block recruitment has occurred when a team’s roster contains four or more players who were rostered with another single NORCAL member club during the previous season.

4.25.a. A team or club in violation of the block recruitment rule will be included in the NORCAL schedule and their games will count towards final standings but they will be ineligible for post-season playoffs including both NORCAL playoffs and CAHA playoffs.

4.25.b. Exceptions, which must be approved by the NORCAL board, may be granted when the previous season’s club does not offer a team at a particular age group, or in the case of a voluntary merger, or when a club is recognized by NORCAL as successor to a club that has ceased doing business, or at its discretion.

4.25.c. No coach, in his/her first year at a NORCAL club, may be an assistant or head coach of a AA, A, BB or B team with three or more players he/she coached at another NORCAL club the previous season.

4.25.d. 8u players only: For the 19/20 season a player will be counted for Block Recruitment purposes if they were officially rostered by 11/3/18. For the 20/21 season 8u players must have participated in 1 or more of the 19/20 season Norcal League Jamborees to be counted for Block Recruitment purposes.

4.26 Player Financial Standing

No later than April 15, NORCAL clubs may submit to the NORCAL General Manager and the Pacific District Associate Registrar a list of players the club deems not in good financial standing. Clubs must notify each player on the list in writing before submitting the list to NORCAL. Lack of good financial standing shall be based on failure to pay dues and/or other costs associated with playing on a team in good standing with NORCAL. Players not in good financial standing shall not participate in any NORCAL games, playoffs, tryouts, or other NORCAL events until they are determined to be in good financial standing.

4.26.a No names will be accepted as not in good financial standing after April 15 of the season.

4.26.b Any player who disputes a financial claim may appeal directly to the NORCAL General Manager who may allow the player to participate in tryouts and practices while the dispute is being resolved. A player so trying out may not be put on a NORCAL roster until he/she is in good financial standing.

4.26.c Only players in good financial standing may participate in the NORCAL Pre-Select Tryout Camp or in the NORCAL Playoffs. Players are considered in good financial standing unless the NORCAL General Manager is informed in writing seven days before the above listed events occur.

4.27 Player Movement Within A Club

A player who has been properly rostered on a club’s team may move to another team within

that club no more than twice during a season provided all eligibility requirements and player movement requirements are met and the player is properly re-rostered.

4.27.a A player may not play for more than one team within a club within a 48-hour period unless otherwise approved by the NORCAL General Manager. A player violating this rule shall be considered an ineligible player for all games played with the second team during the 48-hour period in question. *This 48-hour restriction does not apply to hardship goalie movement, tournament rosters or dual rostered High School players.*

4.27.b During the regular season, clubs with more than one team competing for the same NORCAL championship must release any player before moving that player from one such team to another.

4.28 Player Movement Between Divisions

Player movement between divisions is governed by CAHA rules.

4.29 Hardship Goaltender Moves

Prior to December 31st of the current playing season, any goalie participating with a team in an 'emergency' situation or otherwise, must be properly rostered. (i.e.: dropped from current team, added to temporary team and dropped/added back once the need is fulfilled).
